

May 2008

We opened our doors for you, our guest on May 9, 2003. Guest from all over the United States and the world have stayed at Inselhaus B&B and we enjoyed every one of you.

Thanks to the support of WIU, Macomb, and McDonough County residents, we are successful doing what we love to do best.

Karl, Dorothee, and the staff of Inselhaus B&B continue to provide their guests with great service, clean rooms, healthy breakfast, and cozy evenings in front of the fireplace. Many guest have written comments on www.tripadvisor.com or other web pages. That makes us proud and we love to hear about your experiences.

Please, check out our new recipes on www.inselhausbb.com. The oven omelet, orange cake, spinach muffins, and Jane's portabella mushroom caviar are just a few dishes to mention. If you like our breakfast at Inselhaus, please ask us for recipes. We love to share.

You have taught us how to cook vegetarian and vegan food. Vegan is a challenge, but many have shared their cookbooks with us. You all know that you have to eat breakfast at Inselhaus. If you have to leave early by train, plane, or automobile, we will pack you a "to go" breakfast with coffee or tea, juice, muffin, and fresh fruit. Our Inselhaus insulated mug is yours to keep and take home.

Please, let us know what we can do to make your stay memorable. Check out our getaway packages. Inselhaus B&B is one of the few B&B's, which offers a "Rose Petal Turndown" and guest love to sleep on the roses. In the morning, we serve those guests breakfast in bed. What else can we do to make you feel pampered?

We have guests who have returned many times and some have a key to the house. All they ask for is, "which room are staying in?"

Janelle, Ryan, Tevin, and Dorothee, want you to return over and over again. Let us know when you are coming and **"we shall leave the door open for you."**
